President's Message

I want to personally recognize and thank Connie and Griff Griffin for facilitating the fabulous Murder Mystery Dinner held on March 9th. By far, this was the best murder mystery they have produced for our club. The work load and the endless details that had to be taken care of were no small feat. From the detailed invitations to the buffet dinner, it was all topnotch. My personal favorite part of the event was the "home-made" videos depicting the actual murder scene

and the two female "Detectives", Holmes and Watson, who essentially solved the crime. What a wonderful evening!

Our March luncheon speaker was the very inspiring U.S. Navy femaleship Commander, Emily A. Cathey. Her presentation was both informational and impressive with wonderful stories of how some more "traditional" service members reacted to an outstanding woman leader. She was a real joy to speak with, and we all wish her the very best in her future endeavors.

This month's luncheon features our "Annual High Tea," so dust off your colorful party hats and we will

Presentation of Wed. Etc.'s honorary "Certificate of Appreciation" plaque to U. S. Navy Commander Emily A. Cathey at our March Luncheon by Janice Murray, Rosemarie Bergdahl and Connie Griffin

see you at the April 10th luncheon!

Happy Easter & Happy Spring!

Upcoming Special Events

J. PAUL GETTY MUSEUM TOUR

We are planning a visit to the J. Paul Getty Art Museum in Los Angeles, sometime in May or June. We are looking into finding transportation, either from a bus we would hire, or by members offering rides in their own cars. If you are interested in participating (but did not indicate an interest by signing the form distributed at the March luncheon), please get in touch with Barbara Moely so she can determine how many people would want to attend. She also welcomes your thoughts about how best to arrange a visit. How do you feel about paying for a bus vs. driving with other members? What questions or potential problems do we need to address? Contact Barbara at bemoely@gmail.com, or 858-883-2908. For museum information see <http://www.getty.edu/museum/>.
